

## LOOKING FOR A GREAT DEAL?

### WE WON'T BE BEATEN ON PRICE

Feeling the pinch? You could probably do with a bit of a pick me up to help you out. We know how tough it can be in business right now and we've decided the only way forward is to pull together.

We're talking about deals. Give us a call and we'll show you what we're made of – show us a written quote for the same Eftpos equipment or Rental Plan and we'll beat it.

That's a promise.

## RENTING YOUR EFTPOS? – UPGRADE NOW

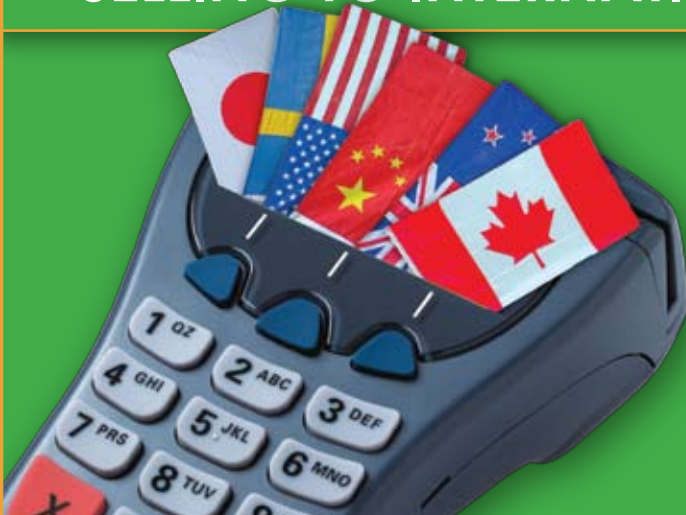

### TALK TO OBE FIRST

Is your current Eftpos Terminal a little tired? Are you sure you're getting the most out of your current rental plan? Is your rental contract almost up? Either way give the team at OBE a call and we'll make sure your next EFTPOS RENTAL PLAN is the right one for you at the right price.

EFTPOS is what we do. Whether you're renting, buying or just need a short term hire, we're only a phone call away.

## SELLING TO INTERNATIONAL CUSTOMERS?

### YOU NEED VERSION 6.0 SOFTWARE

Ever wonder if you are getting the most out of your Eftpos Terminal? Finally the solution is here - VeriFone!

VeriFone is the only certified ETSL 6.0 terminal, offering broadband IP connection, tipping and hospitality, phone top up and more...

VeriFone also offers the world's smallest mobile GPRS terminals, that work anywhere there is cell phone coverage.

VeriFone offers currency conversion, the ability for overseas visitors to do transactions in the cardholders own currency.

Get yourself up to speed in time for the coming season and remember the Rugby World Cup is just around the corner (and so are we).
